

Skaer Veterinary Clinic Boarding Contract **(*Price changes in effect 08/19/19)**

(Vaccine protocol updated 02/03/2020)

Patient Name: _____ **Client Name:** _____ **Boarding Dates:** _____

1. All boarders must be current on vaccine. Pets not currently up to date on vaccines will be vaccinated upon admission or will not be permitted into the boarding facility. Proof of vaccinations are required. Required Canine vaccines are: **Rabies, DA2PP, Leptospirosis, Bordetella, Influenza, a negative HW test, and a negative FE test every 6 months.** Required vaccines for Feline boarding are: **Rabies, FVRCP, Feline Leukemia, negative fecal test every 6 months and a negative Triple test.** All animals boarding need to be on **current Heartworm and Flea/Tick prevention as well.**
2. You may leave toys, blankets, etc. with your pet(s). We do ask that all items are labeled with your name on it. If you do not want us to write on your pet's items, that particular item may not be used while the pet is here. We do our best to keep track of all items, but their return is not guaranteed
3. **If your animal stays past their scheduled date of pick-up and you have not notified us of this, there will be a late pick-up fee of \$25 assessed for each day they are here past the schedule pick-up day ON TOP of the boarding charge.**
4. **The boarding charges will begin the day of admission regardless of time of day, but there is no charge for the day the pet goes home if picked up before noon.**
5. ALL pets admitted for boarding will be checked for external parasites (fleas and ticks) and will be treated at the owner's expense if necessary.
6. ALL pets admitted must also be free of internal parasites (worms), if any are noticed while boarding, the animal will be treated for an additional charge.
